FOGG MAINTAINS THE BANDSTAND AND PAYS THE MAJORITY OF THE ENTERTAINERS.
PLEASE GIVE GENEROUSLY TO ENABLE US TO CONTINUE.

FLORAL CLOCK AND GARDEN TALKS

Many questions have been received over the years about the beautiful flower displays. We are delighted to announce that the Town Council Gardeners have agreed to join us with talks about the planting in the gardens. A member of the FOGG team will also be there to answer any questions on the history and workings of the Clock.

Watch out for dates on our Notice boards and on our website and subscribe for information on our website FOGG were thrilled to receive a grant from Dorset Gardens Trust for the Floral Clock Restoration.

They are a charity that encourages the conservation and protection of historic gardens and managed landscapes in Dorset.

NEW BANDSTAND FUNDING PROJECT

The existing bandstand was erected in 2014 and has been used every year (covid excepted) for the free Summer Concerts enjoyed by an ever increasing audience. Signs of wear and tear are becoming apparent and we must look to the future to provide a more permanent structure so that these wonderful Sunday entertainments can continue.

This will be another BIG project and we will be applying for grants, but your contributions and support are VITAL.

We look forward to seeing you in the Gardens and at our Quizzes in 2025 and beyond!
